### PROFILE

Charismatic and Bilingual (English & Spanish) customer service professional with nearly two years as a Student Support Ambassador at Seneca Polytechnic, engaging hundreds of students each semester in a high-traffic campus environment. Skilled at understanding needs through genuine conversation, presenting information clearly, and managing multiple interactions at once while keeping things warm and welcoming. Natural team player and group lead, with formal training in Mental Health First Aid and AODA customer service standards.

### PROFESSIONAL EXPERIENCE

#### Student Support Ambassador

**AUG 2024 – APR 2026**

Seneca Polytechnic

Toronto, ON

- Engaged with students each week in a high-traffic campus environment, greeting them, reading their needs through conversation, and guiding them to the right departments on campus.
- Represented Seneca at open houses, orientation events, and recruitment fairs, handling peak-volume days with multiple simultaneous conversations while maintaining a warm, professional presence.
- Led campus tours for groups of up to 20 prospective students, presenting Seneca's programs and facilities in a way that sparked follow-up questions, brochure requests, and contact exchanges.
- Mentored approximately 50 students per semester one-on-one, answering recurring questions, following up to make sure they were supported, and self-educating on unfamiliar topics to give accurate guidance.
- Led the Accessibility & Disability Student Support Group, coaching peers on inclusive interactions and modeling the service standard expected of brand representatives.
- Organized weekly drop-in sessions, board games, art, and scavenger hunts that built community for students who felt underrepresented on campus, and followed up individually afterward to check in.
- De-escalated frustrated and overwhelmed students by listening first, asking the right questions, and finding practical solutions, even when the answer wasn't what they hoped to hear.
- Maintained weekly logs and documentation of student interactions and outcomes, ensuring consistent follow-through and transparent communication with supervisors.

### EDUCATION

#### Diploma in Computer Systems Technology

**SEP 2023 – AUG 2026**

Seneca Polytechnic

Toronto, ON

### SKILLS

**Customer Service & Sales:** Active listening, needs-based product recommendations, rapport-building across diverse and multicultural audiences, multitasking in high-traffic environments, conflict de-escalation, follow-up, and customer retention.

**Communication:** Bilingual English and Spanish (Native); confident in one-on-one conversations, small group presentations, and public-facing events.

**Product & Brand:** Genuine interest in footwear design, materials, and performance technology; quick to learn product specs, features, and brand storytelling.

**Operational:** Point-of-sale systems, cash handling basics, inventory awareness, attention to detail in transaction accuracy, comfort with retail technology platforms.
